

26. The general power supply on the Marina's may be used only in accordance with the appropriate Electrical Regulations. Only casual usage while a person is aboard the pleasure craft is permitted unless arranged with the Marina Office. Power supply must be connected directly to a single appliance aboard & not the boats distribution panel. Unauthorised unattended connections will result in power leads being disconnected without notice. Bertholders requiring permanent power supply should contact the Marina Office for assistance.

27. Bertholders wishing to sublet their berths may do so but are required to advise the Marina Office all relevant boat and contact details for emergency or security purposes.

28. Except where the berth is sub-leased through the Marina Office it is the Bertholders responsibility to ensure that any pleasure craft on their berth is adequately insured as required under the terms of the berth licence.

29. Any persons causing damage or injury to Marina property, piers or other pleasure craft shall be liable therefore, & violation of Marina Rules, disorder, depredation, or indecorous conduct by a Berthholder or Renter, his crew or guests, that might injure a person, cause damage to property, or harm the reputation of the Marina is cause for immediate removal of the boat in question from the Marina.

30. In the event of an accident whilst maneuvering in the Marina which involved damage to another pleasure craft or personal injury, no matter how small, the incident must be reported to Marina Management or Security immediately.

Rules & Regulations

Rules & Regulations

1. When a pleasure craft enters the Marina complex, it immediately comes under the general jurisdiction of the Marina Management.
2. Any sale, purchase or change of pleasure craft occupying mooring space or trailer parks must be advised immediately to management.
3. No exchange of berths or trailer parks will be permitted between pleasure craft owners without the prior approval of management.
4. No pleasure craft shall be permitted to extend beyond the designated dimensions of the berth or trailer park it occupies. In the case of the Trailer Park this also includes the boat trailer and tractor where applicable.
5. Marina Berth Licences are transferable in accordance with clause 9.1 of the Licence. Such transfers must be registered with the Marina Office on the prescribed form. A transfer fee is payable.
6. Only authorised pleasure craft, in good condition, under their own power shall be admitted to berthing areas.
7. Any condition aboard any pleasure craft or any other personal equipment on the piers or walkways or carparking areas which in the opinion of the management, constitutes a hazard, or a health menace, or a danger to public safety, must be corrected immediately by the owner
8. In the event of an emergency, management is authorised to enter a pleasure craft, move pleasure craft or make necessary repairs to ensure safety of all persons, Marina piers &/or the berthholders craft, or any other craft.
9. Any costs incurred by the Marina arising from any negligence of pleasure craft owners will be charged to the boat owner concerned.
10. Advertising or soliciting is not permitted on any pleasure craft within the Marina complex. No "FOR SALE" signs may be posted on any pleasure craft, pile or piers, or any other signs posted or erected without the express written authorisation of Marina management.
11. The pleasure craft, or the Marina address, may not be used for business purposes without the specific approval of Marina management.
12. Noise must be kept to a minimum at all times.
13. Children & pets must be controlled and kept under constant adult supervision to ensure the peace & privacy of other Marina occupants. Dogs must be kept on leads at all times and not permitted to foul the Marina grounds, piers and walkways in accordance with Manukau City Bylaws.
14. Living aboard pleasure craft within the Marina bounds is absolutely prohibited by order of the Auckland Regional Council.
15. Marina Management must be advised of any changes of address, contact phone numbers, Berth & Vessel details in order to contact an owner or representative in the event of an emergency.
16. The rowing or operation of dinghies, jet-skis, windsurfers, kayaks, etc within the Marina water space is prohibited.
17. No swimming, fishing or diving is permitted within the Marina basin.
18. Refueling is permitted only at the designated Fuel Jetty area.
19. Charter Boat operations from Half Moon Bay Marina are prohibited.
20. Recycling is encouraged; Garbage, Waste & Oil must be deposited in the receptacles provided for the purpose.
21. Bilges must not be discharged overboard within the Marina. Treated and/or Untreated Sewerage from pleasure craft may not be pumped overboard into the Marina.
22. Small tenders & rowboats are permitted to be moored or stored within the space available of the assigned berthing space provided they are kept clear of walkways and pier fingers. Only dinghy racks of the approved design are permitted.
23. The wake of all pleasure craft operated within the Marina must not cause nuisance or damage to boats, berths & their occupants. Boat speed is limited to the minimum safe maneuvering speed. (max 5kts)
24. Mooring Lines are the Berthholders responsibility to maintain & replace as required. Should, in the managements opinion, any pleasure craft not be moored correctly, or the mooring lines are not in good repair, such steps as deemed necessary to ensure the safety of the craft shall be taken, & charge any cost involved to the boat owner.
- Replacement mooring lines shall be fixed by a looped splice through the mooring ring. No Shackles, Chain or Thimbles attached to the Marina shall be permitted except where approved in writing from Management.
25. It is the Berthholders responsibility to ensure that his pleasure craft is at all times secure in the berth in a seamanlike manner, & that his deck fittings are of sufficient strength & suitable design to ensure this requirement.
