

# Security Access Card

## Terms & Conditions

In accepting a Half Moon Bay Marina Security Access Card the Cardholder accepts that:

- (a) The Security Access Card has been issued to you – the cardholder, but remains at all times the property of Half Moon Bay Marina Management.
- (b) A bond value will be held whilst the card is issued to a cardholder
- (c) The card is only valid for the period of rental and will be unusable after that time
- (d) Should the cardholder loose or misplace the card, it is the cardholders responsibility to notify the Marina Management Office as soon possible so a new card can be issued and the old one suspended or cancelled.
- (e) The card should be returned in a working condition without damage to receive a full bond refund
- (f) The Security Access Card will allow the cardholder access to certain areas of the marina as agreed by Half Moon Bay Marina Management.
- (g) Half Moon Bay Marina stores electronic records of all cardholders movements for the purposes of maintaining security. All records remain confidential between the cardholder and Half Moon Bay Marina Management.
- (h) Under normal circumstances Pier access gates shall remain electronically locked 24/7 and only accessed by valid Security Access Cards. Under special circumstances Half Moon Bay Marina Management reserves the right to periodically electronically unlock Pier access gates without prior notification to Bertholders, such events may include fishing competitions and all marina emergencies whereby immediate pier access by emergency services is required.
- (i) Half Moon Bay Marina Management reserves the right to issue cards to individuals or companies who are not berth owners or renters but are trades people, service personnel or others. In this instance the card will be valid for the period of their public liability insurance.
- (j) Half Moon Bay Marina Management reserves the right to temporarily “suspend” the use of an issued card if any such monies are outstanding for such things as Operating Expenses and Marina Rental payments.
