

North Pier

A premium location at Half Moon Bay

North Pier Marina is a new 95-berth development of Half Moon Bay Marina, acknowledged as a leader in marina management.

Construction is about to commence with occupancy available in the second half of 2020.

Demand has been especially strong with more than 70% pre-sold but berths from 15 to 30 metres are still available.

All berth licences will have the unique Half Moon Bay Marina perpetual renewable rights.
